Smart sharing	Can share to friends or family
Intelligent configuration	Support Android and iOS Smart configuration

◆ Specifications

Appearance process	
Dimensions	54mm*53mm*53mm
Shell material	PC+ABS, UL94V0, GWIT 875°C/0.75MM
Shell surface	Color White
Plug copper	Brass / nickel plating
Copper sleeve copper parts	Phosphor bronze / nickel plating / thickness≥0.5mm
Performance parameter	
Input voltage	AC100~240V (1 Phase)
Input frequency	50/60Hz
Maximum load current	Resistive, maximum 10A
WIFI standard	WIFI 802.11 b/g/n
WIFI frequency	2.4GHz
Bluetooth	Support
Security Mechanism	WAP/WAP2
Encryption type	WEP/TKIP/AES
Working power consumption	< 1.3W
Standby power consumption	< 0.7W
Indicator light	Blue LED
Use environment	
Work Temperature°C	-20~50
Work Humidity R.H.	< 80%
Storage Temperature°C	-20~60
Storage Humidity R.H.	< 80%
Input voltage	AC100~240V (1 Phase)

Warnings and precautions

1. The plug must be fully inserted into the wall socket.
2. Do not use conductors or other tools to insert into the jack.
3. If there is radio frequency interference during operation, the socket may not work.
- 4, can only be used indoors.
